

## S.E.R.V.E.

SERVE is a team of volunteer parents sharing the love of Christ with the faculty and families of El Paso Christian School and the Northeast Community as a whole, through acts of service and kindness. We invite every parent, grandparent, and guardian to become a part of our volunteer community and encourage your input to help make EPCS the best place for our children. Return this completed form to the office at your earliest convenience.

It is the S.E.R.V.E. mission to:

- use our God-given talents and abilities to uplift our students, families, and teachers, and be a light in our community so that God may be glorified;
- assist in the effort to develop and improve programs needed to promote the mission of EPCS; and
- provide opportunities for the positive and supportive involvement of parents to create a school community characterized by Christian fellowship and Christ's love.
